Freshman Year "The Way We Were"

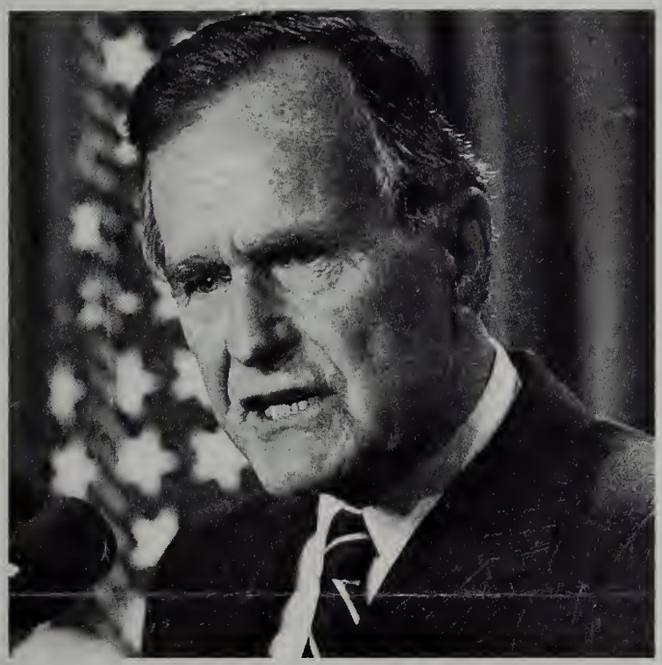
Class officers (left to right) Marc Levine, Treasurer, Stacey Erlich, President, Nancy Monroe, Vice-President; Mr. Greer. Class Advisor (not in photo) Molly Glynn, Secretary.

At last we reached High School. In the gym our class advisor, Mr. Greer welcomed us. Class officers were Stacey, Nancy, Marc and Molly.

We came in fourth place with our spirit hall theme of "Past, Present and Future." The school musical was *Grease*, and many freshmen played small and large roles.

This was also the first year of the Boys Swim Team.

World Events During Our Freshman Year



During our Freshman Year, George Herbert Walker Bush was sworn in as the forty-first President of the United States. A gunman armed with a semi-automatic rifle opened fire into a group of children killing five in Stockton, California. The San Francisco 49ers edged out the Cincinnati Bengals 20-16 in the Super Bowl. Ted Bundy was executed in Florida. The Soviet Union withdrew from Afghanistan. The oil tanker Exxon Valdez ran aground on a reef in the Gulf of Alaska. *Rain Man* won the Academy Award for the year's best picture. Oliver L. North was convicted on three out of twelve counts in the Iran-Contra affair. The Soviet People's Deputies elected Mikhail S. Gorbachev to the newly enhanced position of President. The drug AZT delayed the onslaught of AIDS.

The faces that appear on the pages of this *Stotonian Yearbook* reflect images, memories and moods of the class of 1992.

As the theme for this year's *Stotonian*, the staff has chosen "Song Lyrics." The songs chosen are those which convey our feelings, and our best, worst and most unforgettable moments during events of the past four years. The scenes here show our class growing from inferior freshmen to significant Seniors. We arrived at SHS full of hope and inexperience. We are leaving with the same hopes for the future along with strong friendships and fond memories.

Traditionally, song is a powerful expression of emotion. Therefore, as our theme, we sought out song lyrics to capture the essence of these friendships and to share lasting impressions of our time together here at Stoughton High School.

BOSTON

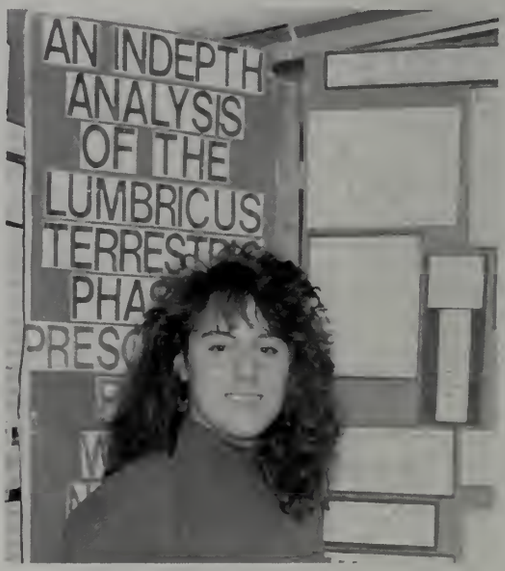
Sophomore Year
"Remembering How You Used To Be"

We could almost hear the echo of the summer collapse of the cafeteria ceiling as we started our Sophomore year. Your class officers were Chris Croke, President, Julie Fidler, Vice-President, Molly Glynn Secretary, and Marc Levine, Treasurer.

We moved up to third place in spirit halls with our sweet theme of "Candy Land."

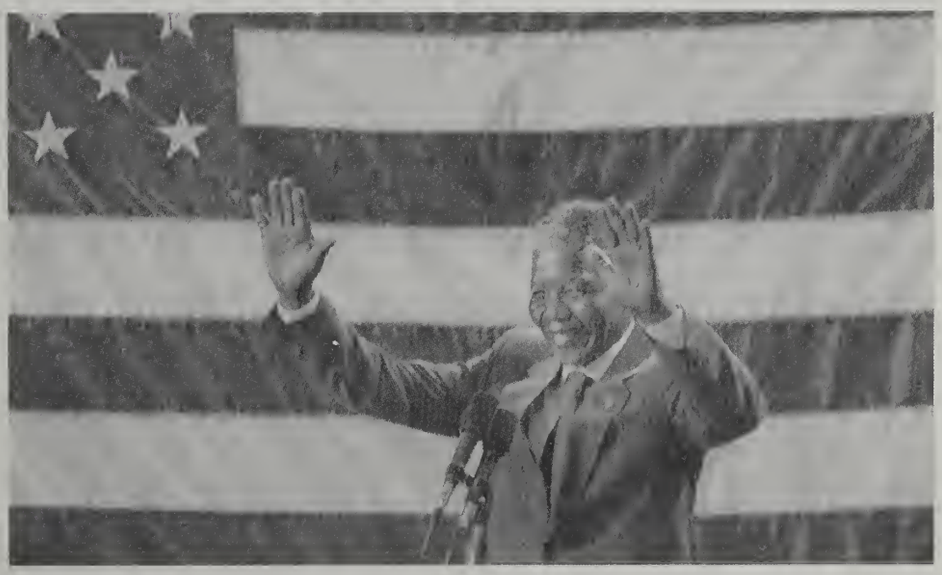
The school musical, *"Pajama Game,"* starred Julie Fidler and featured Laurie Hagg, Amy Harrison, Frank Reed and many other members of our class. Tara McGowan played Emily in the all-school production of *Our Town* while the Sophomores mentioned above with others dominated the cast.

The Music Department traveled to Toronto and won 13 awards including the Grand Award for Jazz Band.



World Events During Our Sophomore Year

After a brief and bloody conflict, Panama's dictator, Manuel Noriega was ordered to U.S. military authorities on drug charges after holding up in the Vatican embassy. Violeta Barrios de Chamorro was elected President of her country. James Buster Douglas knocked out the formerly undefeated champion Mike Tyson in the tenth round. Nelson Mandela saw freedom's light after 27 years in a South African jail. Rumania outlawed the Communist Party. A major earthquake shattered Iran. Charles Stuart murdered his wife and unborn child in an episode that embarrassed the press and police, leaving more questions than answers. Frank Reed, the longest held American hostage in the Middle East was freed from Lebanon.



Shiny, Happy People

STOUGH

Junior Year
"Yesterday, all my troubles seemed so far away . . ."

For the first time in two years we could now actually buy hot lunch in the first day of school and eat in the cafeteria. Again, the class officers were Chris Croke, President, Julie Fidler, Vice-President, Molly Glynn, Secretary, and Marc Levine, Treasurer.

Our spirit hall theme was "Jim Henson," and it moved us up to second place in the competition.

The school musical was *Working*, and the Drama Department also did a production of *Games*.

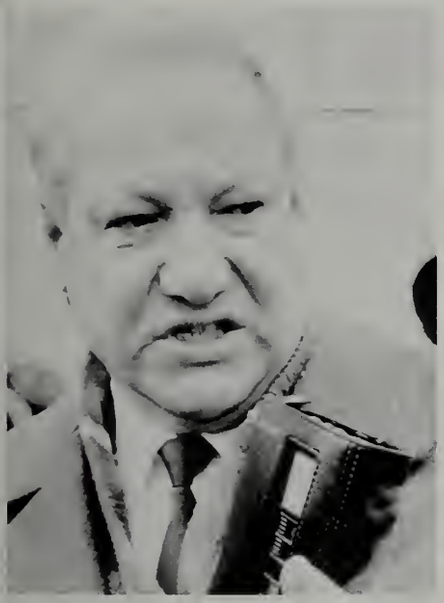
Our Junior Prom theme was "Wonderful Tonight." The Queen of the prom was Seanna Landry and the King was Chris Kane.

The entire class took a walk to the Stoughton Theater to see "Dances with Wolves."

Our field hockey team qualified for the State Tournament.

The Gulf War brought disappointment to Juniors who had planned to go to Europe. The usual trips sponsored by members of the Foreign Language Department were a casualty of the conflict.

World Events During Our Junior Year



During our Junior year, Saddam Hussein invaded Kuwait sparking Desert Shield operations. Bugs Bunny turned 50. Jim Henson died. Germany became a single nation again for the first time since World War II. The Cincinnati Reds won the World Series. The United Nations Security Council authorized use of force against Iraq unless Iraqi forces withdrew from Kuwait by January 15, 1991. Lech Walesa was elected President of Poland. Dee Brown shocked the sports world by winning the Slam Dunk contest with his blind dunk. Margaret Thatcher was defeated afer many years as Prime Minister of England. The film "Home Alone" was the top box office hit. The Soviet Union's seventy years of Communist monopoly rule ended, and the empire's solidarity began to crumble. With Desert Storm, the United States led an overwhelming international force against Iraq.

"BELIEVE THE

CHILDREN R OUR FUTURE"

Senior Section

I don't know
where the road's going to lead
a'll I know is where we've been
and what we've been through
I'f we get to see tomorrow
I hope it's worth all the wait
It's so hard to say goodbye
to yesterday

And I'll take with me
the memories
to be my sunshine
after the rain
It's so hard to say
goodbye to yesterday

DEDICATION

The yearbook staff has thought long and hard about dedicating this yearbook to the one person who has given us the most support. We came to the conclusion that no single person has carried us through the years.

Therefore, we would like to thank everyone who has been a part of our lives. We appreciate all the help and support given to us by our families and the many members of the Stoughton School system.

In conclusion, we would like to dedicate this yearbook to our parents who taught us right from wrong, our teachers who have given us the knowledge we use day to day, and most importantly, our friends. Our friends are the special people we grew up with who taught us that tomorrow will be a brighter day.

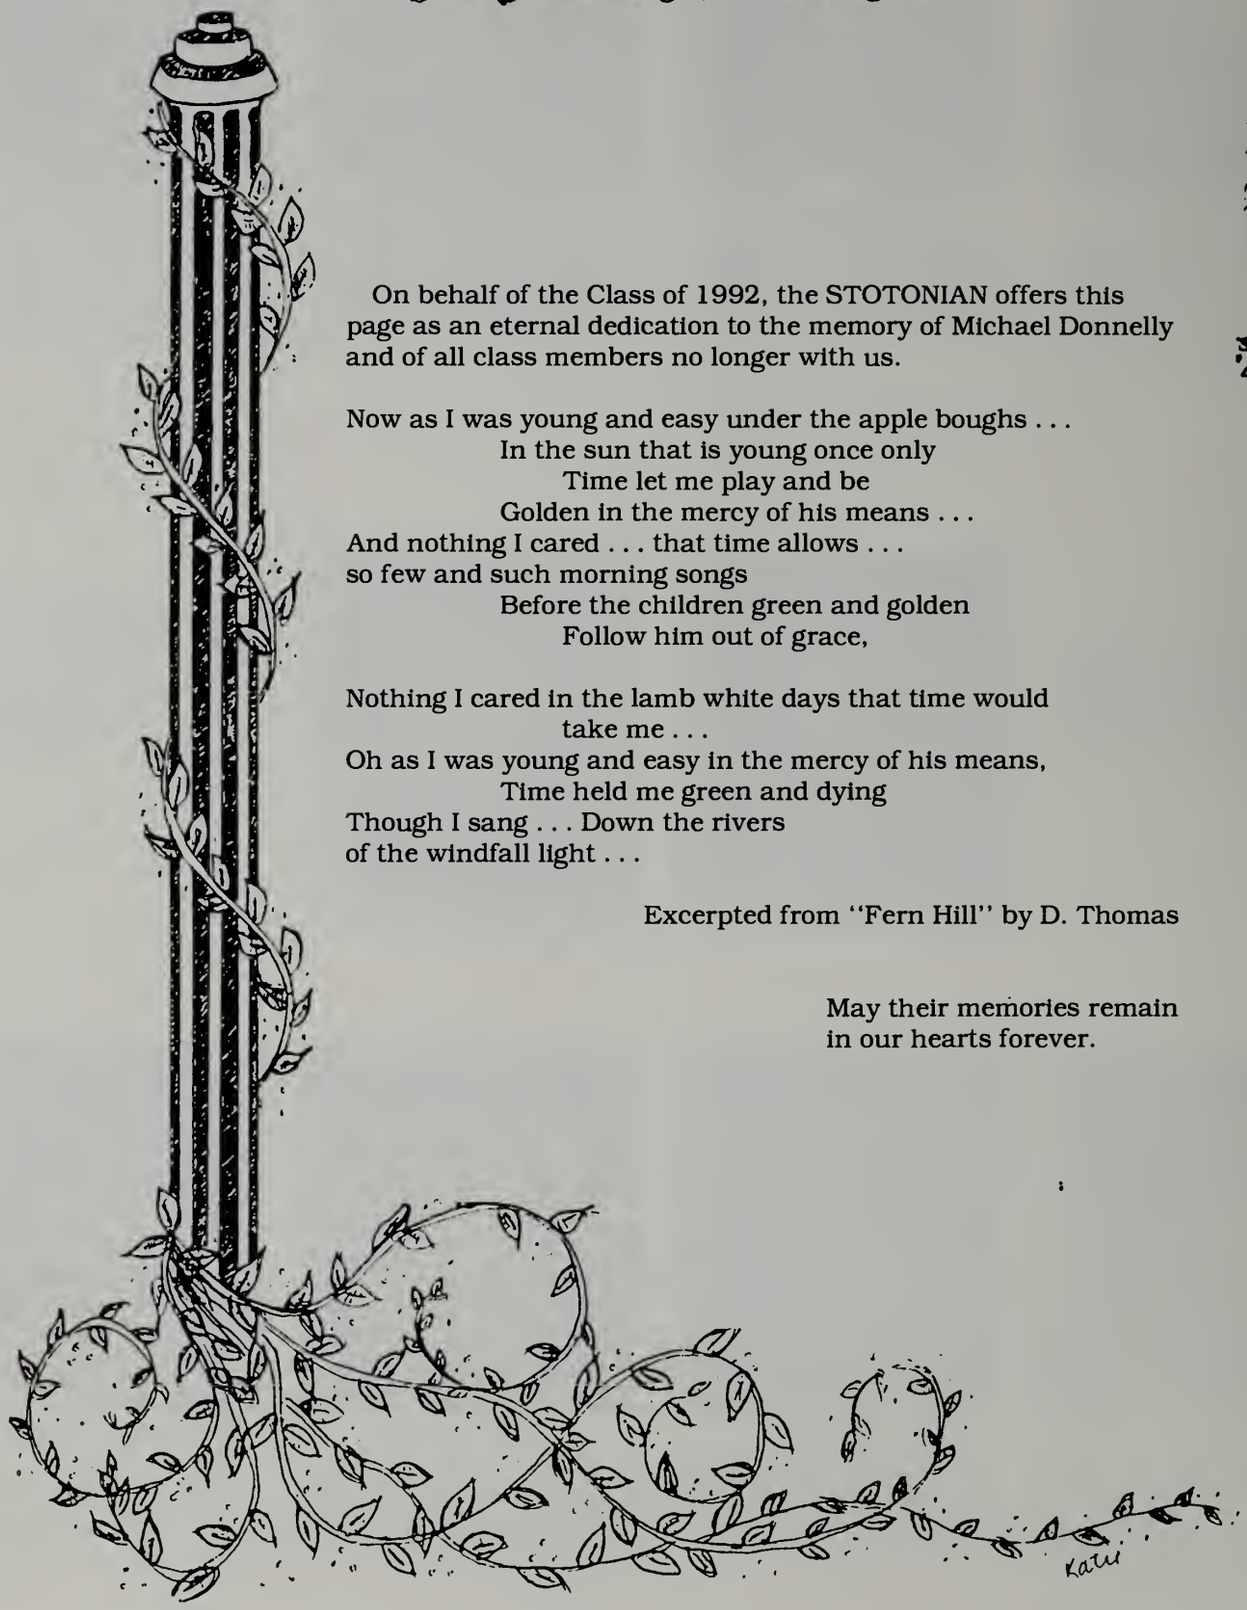
In Memoriam . . .



On behalf of the Class of 1992, the STOTONIAN offers this page as an eternal dedication to the memory of Michael Donnelly and of all class members no longer with us.

Now as I was young and easy under the apple boughs . . .
In the sun that is young once only
Time let me play and be
Golden in the mercy of his means . . .
And nothing I cared . . . that time allows . . .
so few and such morning songs
Before the children green and golden
Follow him out of grace,

Nothing I cared in the lamb white days that time would
take me . . .
Oh as I was young and easy in the mercy of his means,
Time held me green and dying
Though I sang . . . Down the rivers
of the windfall light . . .

Excerpted from "Fern Hill" by D. Thomas

May their memories remain
in our hearts forever.

CENTRAL ADMINISTRATION

Dear members of the Class of 1992:

As Superintendent of Schools, I extend to you my sincere congratulations on your graduation from Stroughton High School.

I wish each of you well in your new beginning, whether it be at an institution of higher learning or in the world of work. Whichever path you choose, it is my fervent hope that as you travel that path, you carry with you the essence of your experiences at Stoughton High School; that your education is to be a life-long experience, the benefits of which are clarity of thought, dignity of purpose, and wisdom of choice. And further, it is my sincere wish that when you are making your unique contributions to our society, you reflect on the combined efforts of your teachers and parents who strove so tirelessly to provide you with the ability to walk surely and with purpose on whichever path you have chosen.

Finally, we thank you, your parents, and your relatives for joining us in our efforts to achieve what we consider to be the most important goal for our country in the decade of the 90's, the education of our young people, who are the true future of our country and of the world. I wish you Godspeed.

With affection,

John G. Murray, Ed. D.
Superintendent of Schools

Dr. John G. Murray, Superintendent of Schools

Mr. Geoffrey A. Fanning, Asst. Superintendent

school committee: (seated, l-r) Allen Mills, Joseph Klements, J.D.; (standing) John Anderson, Paul Landry, Joseph Harrington, Ph.D.

Dear Members of the Class of 1992:

Congratulations. Graduation is a time of such mixed emotions. We share in the joy of your graduation from high school while, at the same time, we share the loss from our school system of an exceptional group of young people.

Graduation is both an end and a beginning. You have ended not just your formal ties to our system, but also many of your ties to one another. Carry with you the memories of these times spent together and the relationships you have forged. These need not fade and many will be made stronger by your continued concern and caring for one another.

Using the skills and knowledge we have helped you develop, go forth on your new adventures whether in further education, family, work, or the military. Be confident as you confront new challenges for these are but opportunities to demonstrate your many abilities. Grow and learn from your experiences as you realize that schooling may end but education does not. Give thanks to your families and the educational staff who have guided you. Become involved in your community. The rekindling of democracy rests with every new generation's acceptance of the role of informed and active citizens.

We welcome you to your new roles and responsibilities and take pride in your many accomplishments.

Sincerely,

Paul Landry, Chairman
Stoughton School Committee

Mr. Anthony L. Sarno, Jr.

TO THE CLASS OF 1992:

Congratulations on your graduation from Stoughton High School. Your diploma may mark the end of your high school career but it is just the beginning of your adult life.

In the near future, you may be attending an institution of higher learning, entering the armed forces, or participating in the world of work. Whatever the future brings, you can feel confident that the Stoughton Public School System has prepared you well. Be proud of your town and school, for we are extremely proud of you and your accomplishments.

The Class of 1992 has excelled in the classroom, on the athletic fields, in the performing arts, and in all other co-curricular activities. I take this opportunity to thank you for all of the fond memories you are leaving with us.

I would be remiss if I did not congratulate and thank your parents and teachers. Their support and dedication are directly responsible for all of your successes.

In closing, may I extend to each graduate my most sincere wish for future success and happiness.

Sincerely,

Anthony L. Sarno, Jr.

Never to be Forgotten

Described by one student as "caring and kind," Mr. Patrick Nessar has been teaching at the High School for over thirty years.

In his own words, the role of teacher is a person with "the ability to extract from the kid the best that's in him. I'd rather have the kid attempt to solve the problems and have the teacher correct him on the side." He cites "discipline and total commitment" as being the two most important aspects to succeeding anywhere, in school or out.

Mr. Chester Peirce, likewise, has been at Stoughton High for nearly four decades. His dedication to science and science education helped him rise to the post of Director of the Science Department. He has long been a students' favorite because of that dedication and drive to see his students succeed. His trademark sense of humor has also added to his universal appeal.

We wish Mr. Peirce and Mr. Nessar the best of luck in retirement.

May God bless and keep you always
May your wishes all come true
May you always do for others
And may others do for you
May you build a ladder to the stars
And climb on every rung
And may you stay forever young

May your hands always be busy
May your feet always be swift
May you have a strong foundation
When the winds of changes shift
May your heart always be joyful
May your song always be sung
And may you stay forever young

SPIRIT WEEK 1991-1992

Spirit week 1991-1992! This year Spirit week was run traditionally with college sweatshirt day on Monday, the canned food drive on Tuesday, and Orange and Black day on Wednesday. Also on Wednesday, the Thanksgiving rally was held. During the rally it was announced that the seniors were successful in capturing first place in these three categories, as well as in the Spirit Halls competition, with their theme of Walt Disney World. This was the first time the seniors have won Spirit halls in 4 years, and also the first time they won Spirit week overall. The class of 1992 finally united as one, and their class spirit truly shone through!

The Varsity Field Hockey team finished the season with a 14-1-3 record. They were a very strong team led by 19 returning seniors. A big disappointment was losing the Hockamock league title by only one point, putting them in second place.

For the eighth consecutive year the team qualified for the state tourney. They defeated Durfey 12-1 and lost to Dennis Yarmouth 11-0 in the second round.

The team MVP was Tara Peck and Tara was chosen as an All Scholastic along with Joanna Kim.

The Seniors on the 91 team thank Coach Dan Mark and assistant coach Bernice Blye for all the great memories.

7-8-2

The Stoughton High Boy's Varsity soccer tea started the season off with high expectations placing well in the Hockomock league. As coac Lucio Santos worked them hard pre-season, h efforts were rewarded with the excellent playin level at the Whitman-Hansen soccer jambore As the season progressed, they continued the high level of excellence, beating the first pla teams at various times of the season. As th season came to an end, so did their goal of reac ing the tourney, by losing in a must win gam They finished their season with a 7-8-2 record

The girl's varsity soccer team finall reached respectability even though thei record did not show it, they were a forc in the Hockomock League. None of th teams they faced could match their de termination, spirit, and class. The mos unique thing about the team is th friendships made and kept even whe the season came to an end. The tea finished with a 3-12-1 record, truly th best showing in years. We should ap plaud them for their efforts.

STOUGHTON HIGH BOYS BASKETBALL

This year the Stoughton High boys basketball team surpassed anyone's expectations. The reason they had such a successful season was due to teamwork. They all respected each other as basketball players and as human beings. The boys finished the season with 11 wins and 9 losses. The team really started to pull together during the second half of the season, winning 7 of their last 10 games.

The Black Knights were led by Jamie McCarry, who was elected as the Hockomock M.V.P. His ability to score and rebound led the Knights to a winning season. Other players such as Matt Andrews, Brian Madden, Ray Benkart, Scott McKenzie and Dean Jenkins played well all year for the Knights. The rest of the team contributed a lot, and gave the team 100% effort every game.

After last years disappointing season, the Black Knights came out and turned the program around. Coach John Douglas said, "It was a pleasure to work the kids."

The girls varsity basketball team finished their 1991-92 season with a 15-5 regular season record placing them in good contention for the Division I State Tournament. Despite a 4-5 start, the team bounced back with a 13 game win streak to finish the season at an impressive 17-6. The teams leading rebounder and MVP was senior forward Molly Glynn, who also clinches a spot on the Hockomock All Star Team. Sophomore Kelly Liston was also elected to the All Star Team and was the team's leading scorer.

The girls went into the tournament enjoying an eleven game win streak. They were placed 9th out of 24 teams going into the South Sectional Tournament. Stoughton faced Taunton and won by the score of 79-41, they beat Madison Park 66-44, and lost to top seeded Brockton in a close, well-fought game, 72-63.

The Girls Spring track team ended their season with a 3-5 record. Outstanding performances were made by Capt. Seanna Landry who broke the school's outdoor 300 hurdle record. Landry placed 8th overall at the Eastern Massachusetts track meet. She was also the teams 2nd highest point scorer. Another trackstar, Joanne Durant placed 1st at the Eastern Massachusetts track meet in the 100m dash and the triple jump. Durant placed 1st in the 100m dash and 2nd in the triple jump at the State Meet. In the New England track meet she placed 1st in the 100m dash and 1st in the triple jump. Durant was the first woman ever in Stoughton to be a double New England champion. Durant holds four outdoor Spring track records. These are in the 100m dash, 200m dash, triple jump, and high jump. She was named the MVP of the South Shore principal track meet, and the coaches invitational track meet. Durant was the team's highest point scorer and the teams MVP. She was named to the Globe's All-scholastic track team, the Patriot Ledger's All-scholastic track team, and the Boston Herald's All-scholastic track team.

This year the staff was made up of solely seniors. The goal of the staff was to create a book that was different and imaginative. We tried to come up with new ideas such as a class of 1992 photo, the theme of music, a "where will you be in 10 years" page, and a new layout for the senior section pages.

Editor's Letter

As Editor-in-Chief of the 1992 STOTONIAN, I have learned that a Yearbook is never really finished. In the last days of June, we received photos of Class Night, Graduation etc., and quickly pieced together the last pages to make a deadline that will allow the yearbook to be printed and returned before the end of September.

Right to the last moment our struggle to produce this book was uphill and intense. After we lost our adviser, Ms. Marilou Carey, there were no volunteers who would take her role. To rescue us, Mr. Francis McLellan volunteered his time and effort so that the 1992 yearbook would be possible. He is one of the people I would most like to thank.

Of the many others to whom I owe gratitude, first of all is the staff. Despite inexperience, (some had never worked on the yearbook before), many learned lots of new skills to help complete the book. Among the most helpful and supportive were three Assistant Editors, Allison Baker, Debbie Spack and Missy Dykeman. They constantly worked on pages and provided reassurance that we would make our deadlines. Thanks guys! Other staff you could count on were Karen Wager, Julia Breenan and Dan Toland whose difficult tasks included tracking down missing copy and photos in the Senior Section. In editing Senior write-ups and making proof corrections, they did an excellent job and deserve much credit. Praise for her effort also goes to Julie Veldhoven who did all of the artwork for the section dividers, adding a creative element to the book. Lisa Payson's constant service and support guaranteed our deadlines.

There are numerous others, Nathalie Leal and Luanna Sacco, Chris Kane and Tara McGowan, Betsy Farrington and many quiet workers I cannot name. Class advisors, coaches, staff, administration, parents, school committee members, town employees, business owners and public media all know who they are and what they did, and I would like to thank them very much.

Our goal was to create a book that captured our high school memories and feelings in a new, creative way through the theme of music. We set out to design one of SHS's best yearbooks — and hope we have! Best wishes and good luck to our class of 1992!

— Rachel Lake
